

Call for Participation

We invite you to join us in **5th International Conference on Bioscience & Engineering (BIOSE 2022)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Bioscience and Engineering. The conference documents practical and theoretical results which make a fundamental contribution for the development of Bioscience and Engineering. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of BIOSE 2022 include:

- 5th International Conference on Electrical Engineering (ELEN 2022)
- 5th International Conference of Advances in Materials Science and Engineering (MATE 2022)
- 5th International Conference on Mechanical Engineering (MEN 2022)
